About Us

Foreign Abacus Education Pvt. Ltd. is an organization started to teach Brain increase Programmed and Courses such as memory, Nuro-Linguistic Program (NLP) and the International concept of Mental Arithmetic System using the Abacus system of Education.

We establish quality educational programs. We treat children in our schools as children. We give them dignity because we believe in them and we aspire to give them the same opportunities as our own children. We contribute to a more peaceful world by bringing together different cultures and nationalities. We offer the hope of a better quality of life for present and future generations of Dominican children by greatly improving their educational opportunities.

Students of Foreign Abacus Education have been participating and winning awards in National and International Competition.
